

Our Footprint

InSolutions and InSource Staffing Solutions has partnered with The Personnel Department in order to expand nationwide. This gives us employees in 30 of the 50 states and allows us to quickly place people anywhere in the nation. Our knowledgeable and resourceful recruiting staff, combined with the strong personnel capabilities of The Personnel Department, can assist you with any of your staffing needs in any location. We offer in-depth screening of all candidates and have the ability to handle any background checks, drug screening and reference checks that you may need. We have top notch benefits so we can compete with any company for the best resources. Our company has the networking solutions to find that hard to reach candidate with the professionalism and personal touch in which we pride ourselves.
